SAVE THE DATE

Subject to approval of the French National Council of the French Medical Professions. For the French healthcare professional, Laboratoires Théa shall declare to the medical council where the healthcare professional is registered the financial participation it covers for this healthcare professional. Moreover, according to Article 2 of the French law n°2011-2012 of 29 December 2011, it shall be publicly declared the interests it may have with French healthcare professionals (including financial terms) according to the Decree no. 2013-414 of 21 May 2013.

For healthcare professionals based in another country, Laboratoires Théa shall comply with local applicable law and regulation regarding the declaration to a medical council or any competent entity where the healthcare professional is registered and with the reporting and declaration to a public audience or a competent authority of interests it may have with healthcare professionals.
